A SISTERS HOPE

A SISTER'S HOPE

“WE DON'T WAIT FOR A CURE. WE WALK TO FIND IT.”

Walker Registration is OPEN!

It's a new year. It's a new chance to explore. It's a new opportunity to help make 2013 a year you helped breast cancer researchers make big strides toward a cure.

TO PAST WALKERS:

You know you can meet the goal of fundraising. You know you can walk 60 kilometers between Bussum and Amsterdam. You know your past experience was one you will treasure for years. What more can you do?

Register for 2013 and bring along a new walker! If each of our past walkers will bring one new person on the 60K, we will hand researchers far more than 1 million euro this October.

TO POTENTIAL WALKERS:

You have been missing out on one of the most incredible weekends of your life. No, we are not joking. Do you like to laugh, feel good about doing something for others, push yourself to the point of pure pride? Go to

www.ASistersHope.org TODAY!

Team “De Zand(voort)lopers” op vrijmarkt in Zandvoort 2009

Op Koninginnedag 2009 hebben Zisca Beumer en Marianna Schoorl, op de links, van team “De Zand(voort)lopers” met een kraam op de Zandvoortse vrijmarkt gestaan. De burgermeester van Zandvoort, de heer Niek Meijer, en zijn vrouw bezochten de kraam en toonden veel belangstelling voor de activiteiten van A Sisters Hope.

The article above appeared in her local newspaper while she focused on fund raising activities.

Marianna walked with us in 2009 and 2011.
